

Open House on Condominiums, Townhomes, and Higher Density Development: "A Lot In Common"

Presented by Abbott & Kindermann, LLP

Exhibitors include:*

- Mogavero Notestine Associates
- LPA Sacramento
- Bloodgood Sharp Buster
- Ward Young Architects
- Wood Rodgers
- Jenkins/Athens Insurance Services
- Beazer Homes Northern California
- Abbott & Kindermann, LLP

**Tentative list - exhibitors may change*

This "open house" style gathering will focus on bringing together the diverse groups of people involved in multi-family developments, including architects, insurance brokers, engineers, attorneys, and builders. It provides an opportunity to meet others in the field, exchange ideas, and network. "A Lot In Common" is a valuable chance to discuss important issues with those experienced in the unique area of high density developments.

Thursday, October 6, 2005

9:00 AM - 12:00 PM

Vizcaya

2019 21st Street, Sacramento, CA
